

Reviewed by Team AppSourceQ

## Team Gitacio

### [1] Comments

- Only one comment
  - ~~not~~ could comment on methods in QQKachoo as well as in the interface
- 

### [4] Style

- White spaces were consistent
  - evenly divided up
  - methods were clearly organized
- 

### [3.5] Robustness

- Seems to use efficient programming
  - ~~no~~ exception handling
- 

### [3.5] README.md

- Labeled and organized clearly
- concise explanation for use of README (but could be furthered)
- TODO LIST very easy to follow
